

Reading Success by the End of Third Grade

More children LEARNING in the summer

Summer food programs keep kids **healthy** when school is out

Physical activity helps children pay attention and learn

More children ATTENDING school regularly

Managing children's asthma helps them **reduce absences**

Breakfast at school improves attendance and learning

Regular **oral health care** prevents lost learning time

More children READY for kindergarten

Screenings catch developmental, hearing, vision and lead problems before they interfere with learning

Social and emotional **development** builds curiosity and supports learning

Reducing the impact of **adverse childhood experiences** renews children's capacity for learning

Prenatal care supports early brain development

The Health Determinants of Early School Success
