Listening to the Voices of Parents
CHANGING THE NARRATIVE — WEBINAR #3
AGENDA
May 23, 2018, 3pm ET

3:00 p.m. ET  Welcome and Introductions — Yolie Flores
  • Do parents feel they’re getting adequate support to be successful in their parenting efforts from programs and institutions that interact with their children and families?
  • If so, what are the programs and institutions doing that make parents feel valued, respected, successful, and engaged as equal partners in their children’s development and in their education?
  • If not, what ideas do parents have for how to change the way they are perceived and treated?
